Very Nice, Well-Maintained 2-3 bedroom home located in a quiet town centrally located with short commute to several area communities. Enjoy the maintenance-free exterior with newer metal seamless siding, newer Pella replacement windows and shingles, in addition to very low taxes! Appreciate the updated kitchen with newer oak cabinetry including all appliances, and an open dining space. Main floor master bedroom. Bath remodeled with walk-in shower and new oak cabinetry. The upper level has one large bedroom, and the walk thru has a built-in "nook" you can use as a second upper bedroom. The storage space is unbelievable in this home.
